

Educational Programme Component Evaluation Framework Questionnaire

This Questionnaire offers some sample questions, to be preferably used by component leader(s) for students' evaluation of the component. Most certainly, you should not feel limited either to the themes or the format of the Questionnaire.

Component Title:			
School:		Date:	
Component leader(s):			
Did the component content meet you expectations?			
Are the learning outcomes valuable for the profile, selected by you?			
Was the teaching methodology adequate for the attainment of the learning outcomes?			
Did the evaluation methodology and feedback ensure the attainment of the learning outcomes?			
Is the selected literature adequate and exhaustive for the content of the course?
